Targeted-Email marketing has been proven to provide the most cost efficient and thorough source of marketing for millions of companies. We have a targeted business to consumer South Florida database of approximately 30k names.

We have obtained these names by attending various venues and events on a consistent basis. Events such as Sports, S. FL fair, ^§ irs, Sunfest, Fl Fisherman Conf., Sports and Fitness Expedition, the home improvement expo. Beerfest, art festivals, Clematis at Night, Sunday at the Meyer, Octoberfest, Sound Advice Amphitheatre, 'Ò vis Center, WPB auditorium events and more! The data is clean and the process is easy.

We are also part of the popular www.canufind.com search engine site that is heavily marketed and promoted locally via email marketing, trolley advertising, giveaways, promotions and various sponsorships and donations.... yet just another way of putting your company in the spotlight.

According to the Kelsey Group, the local search market is expected to more than double by 2008, up to \$2.5 billion from last year’s \$1 billion. The people at BellSouth have heard the call: just recently the company’s online directory, RealPages.com, decided to partner up and sell advertisements through Google’s AdWords. BellSouth will use Google’s technology and already established local search service, while Google hopes to capitalize on the widespread consumer reach of the BellSouth name. As it turns out, we aren’t the only ones who know that sharing is caring—especially when there’s big money involved.
